

Proclamation

Carson-Gardena-Dominguez Rotary Club

We Will Always Remember

For the men and women who answered the call to service, you have our gratitude and love.

For the men and women who had to forego the comforts of life to serve their country, we honor you for your commitment and dedication.

For the men and women who sustained incredible bouts of loneliness and longed to be with loved ones and friends, we know a hug or a nod of the head will go a long way in acknowledging your need to be comforted.

For the men and women who returned with disfiguring injuries, we pledge to proudly lend a helping hand.

For the men and women who died while serving, we promise to remember that you made the ultimate sacrifice for liberty.

For the spouses and children of those who served, we admire your strength of character in holding the family together during these trying times.

**To all Veterans, Rotary salutes you, your family and friends.
You gave so much so that others could live in peace.**

On behalf of the Carson-Gardena-Dominguez Rotary Club, we LOVE you!
