Ticket #152, Roy Murdock

**Roy Murdock** (left) played a big part in our fundraiser's success by purchasing 36 tickets. One of his tickets turned out to be the grand prize winner and he was presented with his \$2,000 cash. Roy promptly pledged the money to support our Thanksgiving Dinner program. What a true Rotarian and a great benefactor to our club!

**Kelly Stebbins** was absolutely elated because he jokingly said he can now afford to take his wife out to dinner for her birthday AND buy her dessert! But what he really did with the money was donate it back to the club for sponsorship of new Paul Harris Fellows.

A long-time supporter, **Watson Cogeneration Company** donated \$2,000 to the club, a portion of which was used to purchase opportunity tickets. Two of the tickets won for a total of \$700 that was returned to the club.

In all, \$7,500 was given out as cash prizes, with the club retaining \$8,200 to fund our youth programs. Thank you to everyone who purchased a ticket. Also, thanks to Scott Simms for chairing a very successful fundraiser!
